

## THIS SUBJECT...

- ✓ Covers topics such as ancient democracy, mythology, and belief systems, gender roles and art
- ✓ Will allow you some insight into your own culture, including film and TV, government, art and social conventions
- ✓ Can lead to careers in areas such as archaeology, sociology, philosophy and teaching.

## WHAT DO STUDENTS HAVE TO SAY ABOUT ANCIENT HISTORY?

- *I met some of my closest friends thanks to Ancient Civilisations. We aren't a class, we're a family* - **Brian**
- *Being someone who has never really been into History, it was rather interesting to see how much I enjoyed this class* - **Mikaila**
- *I was surprised how much our present is shaped by our ancient past. It is a great subject for learning how the ancient civilisations have deeply influenced our political and social structures* - **Bella**
- *My teacher makes History fun and easy to understand* - **Rachel**
- *History always appealed to me but the work didn't seem interesting; this class changed my mind and now I love the subject* - **Liam**

# ANCIENT HISTORY 3
