LEVEL 2

Department of Education
Hellyer College

VISUAL ART

This course consists of four compulsory units:

1. Artwork and meaning
2. Approaches to artmaking
3. Concepts and cohesion
4. Consolidation.

These units are studied through Practical and Theoretical activities.

The Theoretical component includes developing a journal of ideas and support material, along with completing a number of assignments during the year.

The practical component can involve many studio areas for Unit 1 and students can specialise in Units 2, 3 and 4.

Studio areas available at Hellyer:

Digital Media can include the use of:

- Graphics
- Video
- Animation

Photography can include:

- Traditional black & white printing
- Digital printing

General Art can include:

- Drawing
- Painting
- Ceramics
- Sculpture

TO ENROL IN THESE SUBJECTS YOU NEED:

- A high level of competence attained in Visual Art during Year 10
- A strong interest in this subject area
