ART STUDIO PRACTICE 3

Department of Education
Hellyer College

YOU WILL LEARN ABOUT:

Artistic practice through production of artwork, research and critical analysis.

You can specialise in **Digital Media**, **Photography** or **General Art**

Digital Media can include the use of:

- Graphics
- Video
- Animation

Photography can include:

- Traditional black & white printing
- Digital printing

General Art can include:

- Drawing
- Painting
- Ceramics

LEARNING ACTIVITIES MAY INCLUDE:

- Negotiating and planning an exhibition proposal to completion
- Completing a schematic overview (map) of research and works
- Communicating ideas and concepts through making art
- Group appraisal and critique forums to evaluate your own art and the artwork of others
- Studying relevant artists, styles and influences
- Internal and external assessment.

TO ENROL IN THESE SUBJECTS YOU NEED:

A pass (CA award or above is desirable) in Art Production 3
